INFORMATION CIRCULAR

The information contained in this Information Circular, unless otherwise indicated, is as of May 21, 2025.

This Information Circular is in respect of the annual general meeting (the “**Meeting**”) of the shareholders of **Lion Rock Resources Inc.** (the “**Company**”) to be held on June 24, 2025, at the time and place set out in the accompanying Notice of Meeting. **This Information Circular is furnished in connection with the solicitation of proxies by management of the Company for use at the Meeting and any adjournment of the Meeting.** The Board of Directors of the Company (the “**Board**”) has fixed the close of business on May 20, 2025, as the record date (the “**Record Date**”), being the date for the determination of the registered holders of common shares entitled to receive notice of, and to vote at, the Meeting and any adjournment thereof.

PART 1 – PROXY INSTRUCTIONS

MANAGEMENT SOLICITATION AND APPOINTMENT OF PROXIES

The persons named in the form of proxy are nominees of the Company’s management. **A shareholder has the right to appoint a person (who need not be a shareholder) to attend and act for and on the shareholder’s behalf at the Meeting other than the persons designated as proxyholders in the form of proxy.** To exercise this right, the shareholder must either:

- (a) on the form of proxy, strike out the printed names of the individuals specified as proxyholders and insert the name of the shareholder’s nominee in the blank space provided; or
- (b) complete another proper form of proxy.

To be valid, a proxy must be dated and signed by the shareholder or by the shareholder’s attorney authorized in writing. In the case of a corporation, the proxy must be signed by a duly authorized officer or attorney for the corporation.

The completed proxy, together with the power of attorney or other authority, if any, under which the proxy was signed or a notarially certified copy of the power of attorney or other authority, must be delivered to Endeavor Trust Corporation (“**Endeavor Trust**”), Suite 702 – 777 Hornby Street, Vancouver, British Columbia, V6Z 1S4, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof. Endeavor Trust also offers voting via the internet. Instructions for internet voting can be found on the enclosed form of proxy or voting instruction form.

REVOCABILITY OF PROXIES

A shareholder who has given a proxy may revoke it at any time before the proxy is exercised:

- (a) by an instrument in writing that is:
 - (i) signed by the shareholder, the shareholder’s attorney authorized in writing or, where the shareholder is a corporation, a duly authorized officer or attorney of the corporation; and
 - (ii) delivered to Endeavor Trust, at any time up to and including the last business day preceding the day of the Meeting or any adjournment of the Meeting, or delivered to the Chairperson of the Meeting on the day of the Meeting or any adjournment of the Meeting before any vote on a matter in respect of which the proxy is to be used has been taken; or
- (b) in any other manner provided by law.

EXERCISE OF DISCRETION BY PROXYHOLDERS

A shareholder may indicate the manner in which the persons named in the form of proxy are to vote with respect to a matter to be acted upon at the Meeting by marking the appropriate space. **If the instructions as to voting indicated**

in the proxy are certain, the shares represented by the proxy will be voted or withheld from voting on any ballot that may be called for in accordance with the instructions given in the proxy.

If the shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the shares represented will be voted or withheld from the vote on that matter accordingly. If no choice is specified in the proxy with respect to a matter to be acted upon, the proxy confers discretionary authority with respect to that matter upon the proxyholder named in the form of proxy. It is intended that the proxyholder named by management in the form of proxy will vote the shares represented by the proxy in favour of each matter identified in the proxy and for the nominees of the Company for directors and auditor.

The form of proxy also confers discretionary authority upon the named proxyholder with respect to amendments or variations to the matters identified in the Notice of Meeting and with respect to any other matters which may properly come before the Meeting. As of the date of this Information Circular, management of the Company is not aware of any such amendments or variations, or any other matters that will be presented for action at the Meeting other than those set out herein and referred to in the Notice of Meeting. If, however, other matters that are not now known to management properly come before the Meeting, then the persons named in the form of proxy intend to vote on them in accordance with their best judgment.

SOLICITATION OF PROXIES

It is expected that solicitations of proxies will be made primarily by mail and possibly supplemented by telephone or other personal contact by directors, officers, employees and consultants of the Company without special compensation. The Company will not reimburse shareholders' nominees or agents (including brokers holding shares on behalf of clients) for the costs incurred in obtaining authorization to execute forms of proxy from their principals. The cost of solicitation will be borne by the Company.

ADVICE TO BENEFICIAL SHAREHOLDERS

ONLY REGISTERED SHAREHOLDERS OR DULY APPOINTED PROXYHOLDERS ARE PERMITTED TO VOTE AT THE MEETING. SHAREHOLDERS WHO DO NOT HOLD THEIR SHARES IN THEIR OWN NAME (REFERRED TO AS “**NON-REGISTERED SHAREHOLDERS**”) ARE ADVISED THAT ONLY PROXIES FROM SHAREHOLDERS OF RECORD CAN BE RECOGNIZED AND VOTED AT THE MEETING. Non-Registered Shareholders who complete and return an instrument of proxy or voting instruction form must indicate thereon the person (usually a brokerage house) who holds their shares as a registered shareholder.

If securities are listed in an account statement provided to a shareholder by a broker, then in almost all cases those securities will not be registered in such shareholder's name on the records of the Company and will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such securities are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which company acts as nominee for many Canadian brokerage firms). Securities held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the beneficial shareholder. Without specific instructions, brokers/nominees are prohibited from voting securities for their clients.

If you are a Non-Registered Shareholder and Endeavor has sent Meeting materials directly to you, your name and address and information about your shareholdings have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your request for voting instructions. Endeavor mails its own proxy (the “**Endeavor Proxy**”) to Non-Registered Shareholders. A NON-REGISTERED SHAREHOLDER RECEIVING AN ENDEAVOR PROXY CANNOT USE THAT ENDEAVOR PROXY TO VOTE SECURITIES DIRECTLY AT THE MEETING. THE ENDEAVOR PROXY MUST BE RETURNED AS INSTRUCTED ON THE DOCUMENT WELL IN ADVANCE OF THE MEETING IN ORDER TO HAVE THE SHARES VOTED.

Non-Registered Shareholders who have objected to their broker/nominee disclosing ownership information about themselves to the Company are referred to as objecting beneficial owners (“**OBOs**”). In accordance with securities regulatory policy, we will have distributed copies of the required Meeting materials to the brokers/nominees for onward distribution to OBOs. THE COMPANY DOES NOT INTEND TO PAY FOR A BROKER/NOMINEE TO DELIVER MEETING MATERIALS TO OBOs. THEREFORE, AN OBO WILL NOT RECEIVE THE MATERIALS UNLESS THE OBO'S BROKER/NOMINEE ASSUMES THE COSTS OF DELIVERY.

Brokers/nominees are required to forward the Meeting materials to each OBO unless the OBO has waived the right to receive them. Every broker/nominee has its own mailing procedures and provides its own return instructions, which should be carefully followed by OBOs in order to ensure that their securities are voted at the Meeting. Often the form of proxy supplied to a beneficial shareholder by its broker is identical to the form of proxy provided by the Company to the registered shareholders; however, its purpose is limited to instructing the registered shareholder how to vote on behalf of the beneficial shareholder.

Should a Non-Registered Shareholder receiving a form of proxy or VIF wish to vote at the Meeting, the Non-Registered Shareholder should strike out the names of the management proxyholders named in the form and insert the Non-Registered Shareholder's name in the blank provided and return the materials to the broker or Endeavor Trust as directed and well before the Meeting date.

UNITED STATES SHAREHOLDERS

This solicitation of proxies involves securities of a corporation incorporated in Canada and is being affected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation. Shareholders should be aware that disclosure and proxy solicitation requirements under the securities laws of the provinces of Canada differ from the disclosure and proxy solicitation requirements under United States securities laws. The enforcement by shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is continued under the *Business Corporations Act* (British Columbia), the majority of its directors and its executive officers are residents of Canada and a portion of its assets and the assets of such persons are located outside the United States. Shareholders may not have standing to bring a claim against a foreign corporation or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign corporation and its officers and directors to subject themselves to a judgment by a United States court.

PART 2 - VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company has only one class of shares entitled to be voted at the Meeting, namely, common shares without par value (each a "**Share**"). All issued Shares are entitled to be voted at the Meeting and each has one vote. As of May 20, 2025, there were 78,569,685 Shares issued and outstanding.

Only shareholders of record on May 20, 2025, will be entitled to vote at the Meeting or any adjournment thereof.

To the knowledge of the directors and executive officers of the Company, no person beneficially owns, or exercises control or direction, directly or indirectly, over Shares carrying 10% or more of the voting rights attached to all outstanding Shares of the Company which have the right to vote in all circumstances.

PART 3 - THE BUSINESS OF THE MEETING

The audited financial statements of the Company for the year ended December 31, 2024, will be placed before shareholders at the Meeting. These financial statements and management's discussion and analysis are also available for review on SEDAR. See Part 8 "OTHER INFORMATION – Additional Information" below.

SETTING NUMBER OF DIRECTORS

Management proposes to nominate the persons named under the heading "Election for Directors" below for election as directors of the Company. Each director elected will hold office until the next annual general meeting or until his successor is duly elected or appointed, unless his office is earlier vacated in accordance with the Articles of the Company, or he becomes disqualified to act as a director.

The following table and notes thereto state the names, provinces and countries of residence of all persons proposed to be nominated for election as directors, the date on which each of them first became a director of the Company, all positions and offices with the Company held by each of them, the principal occupation or employment of each of them, and the number of Shares beneficially owned, or controlled or directed, directly or indirectly, by each of them. Conflicts of Interest

The directors of the Company are required by law to act honestly and in good faith with a view to the best interest of the Company and to disclose any interests which they may have in any project or opportunity of the Company. If a conflict of interest arises at a meeting of the Board, any director in a conflict will disclose his interest and abstain from voting on such matter. In determining whether or not the Company will participate in any project or opportunity, the directors will primarily consider the degree of risk to which the Company may be exposed and its financial position at that time.

Except as disclosed in this Information Circular, to the Company's knowledge, there are no known existing or potential conflicts of interest among the Company and its directors, officers, promoters or other members of management as a result of their outside business interests except that certain of the directors, officers, promoters and other members of management now or may in the future serve as directors, officers, promoters and members of management of other public companies, some of which are or may be involved in the exploration and development of natural resources, and therefore it is possible that a conflict may arise between their duties as a director, officer, promoter or member of management of the Company and their duties as a director, officer, promoter or member of management of such other companies.

APPROVAL OF LONG-TERM INCENTIVE PLAN

TSX Venture Exchange (“TSXV”) Policy 4.4 (“**Policy 4.4**”) specifies that an issuer seeking to grant or issue any form of Security Based Compensation (as that term is defined in Policy 4.4), must adopt a Security Based Compensation Plan. The Company had in place a stock option plan (the “**Option Plan**”), ratified and confirmed by shareholders at the Company’s last shareholder meeting, held on October 29, 2024. On May 6, 2025, the Company’s Board adopted a new long-term incentive plan (the “**LTIP**”), which replaces the Option Plan. The LTIP is a combined “rolling” and “fixed” Security Based Compensation Plan pursuant to which: (i) the aggregate number of Shares reserved for issuance pursuant to stock options granted thereunder may not exceed, at the time of grant, in aggregate 10% of the Company’s issued and outstanding Shares, and (ii) the aggregate number of Shares reserved for issuance pursuant to all other equity incentive awards granted under the LTIP cannot exceed 7,787,268 Shares. Policy 4.4 requires that shareholder approval for combined “rolling” and “fixed” Security Based Compensation Plans must be obtained annually. Accordingly, at the Meeting, shareholders will be asked to confirm, authorize and approve the LTIP. A copy of the LTIP is attached hereto as Schedule “A”.

The following is a summary of the principal terms of the LTIP.

<i>Overview</i>

The stock option component of the LTIP is a “rolling” plan, thus if the Company issues additional Shares in the future the number of the Shares issuable under the LTIP will increase accordingly.</p> <p>The aggregate number of Shares to be reserved and set aside for issue upon the exercise or redemption and settlement of PSUs, RSUs and DSUs shall be fixed at a maximum of 7,787,268 Shares.</p>

Financial Assistance	The Company will not provide financial assistance to participants under the LTIP.		
Other	In the event of a change in control, the Board shall have the right, but not the obligation, to permit each Participant to exercise all of the Participant’s outstanding stock options and to settle all of the Participant’s outstanding PSUs, RSUs and DSUs, subject to completion of the change in control, and has the discretion to accelerate vesting (subject to the policies of the TSXV). The LTIP further provides that if the expiry date or vesting date of stock options is during a blackout period, the expiry date or vesting date, as applicable, will be automatically extended for a period of ten trading days following the end of the blackout period. 2. Performance Share Units			
PSU Terms	A PSU is a notional security but, unlike other equity-based incentives, vesting is contingent upon achieving certain performance criteria, thus ensuring greater alignment with the long-term interests of shareholders. The terms applicable to PSUs under the LTIP (including the performance cycle, performance criteria for vesting and whether dividend equivalents will be credited to a participant's PSU account) are determined by the Board at the time of the grant.		
Credit to PSU Account	As dividends are declared, additional PSUs may be credited to PSU holders in an amount equal to the greatest whole number which may be obtained by dividing (i) the value of such dividend or distribution on the record date established therefore by (ii) the Market Price of one Common Share on such record date.		
Vesting	PSUs do not vest, and cannot be paid out (settled), until the completion of the performance cycle, which shall not be earlier than one year following the date of grant or issuance of the PSU.		

Settlement	The Board shall determine whether the PSUs are paid in cash, Common Shares, or a combination of both, in an amount equal to the Market Value of the notional Common Shares represented by the performance share units in the holders' account.	
3. Restricted Share Units		
RSU Terms	An RSU is a notional security that entitles the recipient to receive cash or Common Shares at the end of a vesting period. The terms applicable to RSUs under the LTIP (including the vesting schedule and whether dividend equivalents will be credited to a participant's RSU account) are determined by the Board at the time of the grant	
Credit to RSU Account	As dividends are declared, additional RSUs may be credited to RSU holders in an amount equal to the greatest whole number which may be obtained by dividing (i) the value of such dividend or distribution on the record date established therefore by (ii) the Market Price of one Common Share on such record date.	
Vesting	RSUs vest upon lapse of the applicable restricted period, which shall not be earlier than one year following the date of grant or issuance of the RSU.	
Settlement	The Board shall determine the RSUs are paid in cash, Common Shares, or a combination of both, in an amount equal to the Market Value of the notional Common Shares represented by the restricted share units in the holders' account.	
4. Deferred Share Units		
DSU Terms	A DSU is a notional security that entitles the recipient to receive cash or Common Shares upon resignation from the Board (in the case of directors) or at the end of employment. The terms applicable to DSUs under the LTIP (including whether dividend equivalents will be credited to a participant's DSU account) are determined by the Board at the time of the grant. Typically, DSUs have been granted (i) as a component of a director's annual retainer, or (ii) as a component of an officer's annual incentive grant. The deferral feature strengthens alignment with the long-term interests of Shareholders.	
Credit to DSU Account	As dividends are declared, additional DSUs may be credited to DSU holders in an amount equal to the greatest whole number which may be obtained by dividing (i) the value of such dividend or distribution on the record date established therefore by (ii) the Market Price of one Common Share on such record date.	
Vesting	DSUs shall not vest earlier than one year following the date of grant or issuance	
Settlement	DSUs may only be settled after the date on which the holder ceases to be a director, officer, or employee of the Company. The Board shall determine whether the DSUs are paid in cash, Common Shares, or a combination of both, in an amount equal to the Market Value of the notional Common Shares represented by the deferred share units in the holders' account.	
5. PSUs, RSUs and DSUs

Outstanding Awards that were not vested on or before the date of death shall vest and be settled as of the date of death, pro rated to reflect (i) in the case of RSUs and DSUs, the actual period between the grant date and date of death, and (ii) in the case of PSUs, the actual period between the commencement of the performance cycle and the date of death, based on the Participant's performance for the applicable performance period(s) up to the date of death. Subject to the foregoing, any remaining Awards shall in all respects terminate as of the date of death.
	Disability	In the case of RSUs and DSUs, outstanding Awards as of date of disability shall vest and be settled in accordance with their terms (provided that no RSUs or DSUs may vest before one year from the date of issuance or grant). In the case of PSUs, outstanding PSUs as of date of disability shall vest and be settled in accordance with their terms based on the Participant's performance for the applicable performance period(s) up to the date of the disability (provided that no PSUs may vest before one year from the date of issuance or grant). Subject to the foregoing, any remaining Awards shall in all respects terminate as of the termination date.
	Change in Control	Awards vest and become immediately exercisable upon a change in control and the occurrence of one of the two following circumstances: (a) the successor fails to continue or assume the obligations under the LTIP or fails to provide for a substitute Award, or (b) if the Award is continued, assumed or substituted, the Participant is terminated without cause (or constructively dismissed) within two years following the change in control, provided however, that the vesting of stock options granted to an investor relations service provider cannot be accelerated without the prior written approval of the TSXV.
	Termination with Cause	Outstanding Awards (whether vested or unvested) shall automatically terminate on the termination date and be forfeited.

RELIANCE ON CERTAIN EXEMPTIONS

Since the commencement of the Company's financial year ended December 31, 2024, the Company has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the financial year in which the non-audit services were provided. PRE-APPROVAL POLICIES AND PROCEDURES

The audit committee is authorized by the Board to review the performance of the Company's external auditors and approve in advance provision of services other than auditing and to consider the independence of the external auditors, including reviewing the range of services provided in the context of all consulting services bought by the Company.

EXTERNAL AUDIT SERVICE FEES (BY CATEGORY)

In the following table, "audit fees" are fees billed by the Company's external auditor for services provided in auditing the Company's annual financial statements for the subject year. "Audit-related fees" are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. "All other fees" are fees billed by the auditor for products and services not included in the foregoing categories.

The fees paid by the Company to its external auditors for services rendered to the Company in each of the last two financial years, by category, are as follows:

December 31, 2023	49,000	N/A	3,600	N/A

EXEMPTION

The Company is relying on the exemption provided by section 6.1 of NI 52-110, which provides that the Company, as a venture issuer, is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of NI 52-110.

PART 7 – CORPORATE GOVERNANCE

The Board believes that good corporate governance improves corporate performance and benefits all shareholders. National Policy 58-201 *Corporate Governance Guidelines* ("NP 58-201") provides non-prescriptive guidelines on

corporate governance practices for reporting issuers such as the Company. In addition, National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“NI 58-101”) prescribes certain disclosure by the Company of its corporate governance practices. The disclosure required by NI 58-101 is presented below.

BOARD OF DIRECTORS

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship that could, in the view of the Company’s Board, be reasonably expected to interfere with the exercise of a director’s independent judgment.

R. Dale Ginn and Nav Dhaliwal are not considered to be an independent directors pursuant to NI 58-101. Laurence Farmer, Richard Boulay and Dominic Verdejo are considered to be independent directors pursuant to NI 58-101.

The Board facilitates its exercise of independent supervision over management by carefully examining issues and consulting with outside counsel and other advisors in appropriate circumstances. The Board believes that fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate legislation on the individual director’s participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that each director exercises independent judgment in carrying out his responsibilities and acting in the best interests of the Company.

The mandate of the Board, as prescribed by the *Business Corporations Act* (British Columbia) is to manage or supervise management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company’s affairs directly.

DIRECTORSHIP

The directors of the Company are currently directors of the following other reporting issuers:

R. Dale Ginn	Renegade Gold Inc. Badlands Resources Inc. Raiden Resources Limited
Nav Dhaliwal	Badlands Resources Inc. Lithium One Metals Inc. Mason Resources Inc. Renegade Gold Inc.
Richard Boulay	Xplore Resources Corp.
Laurence Farmer	None
Dominic Verdejo	None

ORIENTATION AND CONTINUING EDUCATION

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Company’s properties, business, technology and industry and on the responsibilities of directors. Board meetings may also include presentations by the Company’s management and consultants to give the directors additional insight into the Company’s business. Individual directors are responsible for maintaining their own education, skills and knowledge at an appropriate level.

ETHICAL BUSINESS CONDUCT

The Board has not, to date, adopted a formal written code of ethical business conduct. The current limited size of the Company’s operations and the small number of officers and consultants allow the Board to monitor, on an ongoing basis, the activities of management and to ensure that the highest standard of ethical conduct is maintained. The Board is aware of the recommendation in National Policy 58-201 *Corporate Governance Guidelines* to adopt a written code of business conduct and ethics and will review different standards that may be appropriate for the Company to adopt if warranted.

To date, the Board has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the Board in which the director has an interest have been sufficient

to ensure that the Board operates independently of management and in the best interests of the Company. Under corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. A director must disclose to the Board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The disclosure must be evidenced in writing by being included in the consent resolutions or minutes of the meeting that approve the transaction or in a written disclosure delivered to the Company's records office. Unless the director properly discloses his interest and has the transaction properly approved, he may be liable to account to the Company for any profit he makes as a result of the transaction, unless the court finds that the transaction was fair and reasonable to the Company. Once the appropriate disclosure has been made by the interested director, the transaction must be approved by the directors or by the shareholders by special resolution. An interested director would not be entitled to vote at meetings of directors which evoke any such conflict.

NOMINATION OF DIRECTORS

The Board is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees to fill vacancies and for the next annual meeting of the shareholders. The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience. New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required, show support for the Company's mission and strategic objectives and a willingness to serve.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole; however, this policy may be reviewed in the future depending on the circumstances of the Company.

COMPENSATION

The Board periodically reviews the compensation paid to directors, management and other employees based on such factors as time commitment and level of responsibility and the Company's current position as an exploration company with limited operating revenue.

The Board does not have a compensation committee, and these functions are currently performed by the Board as a whole; however, this policy may be reviewed in the future depending on the circumstances of the Company.

OTHER BOARD COMMITTEES

The Board has no other committees other than the Audit Committee.

ASSESSMENTS

The Board conducts periodic assessments of its members including individual assessments to determine if the Board and the individual directors are performing efficiently. Based on the Company's size, stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be unnecessary at this time. As the activities of the Company develop, it will consider the establishment of more formal evaluation procedures, including more quantitative measures of performance.

The brokerage firm then sells a sufficient number of underlying Shares to cover the exercise price, plus any applicable withholding tax, of the Option in order to repay the loan made to the Participant. The brokerage firm receives an equivalent number of Shares from the exercise of the Option and the Participant then receives the balance of Shares or the cash proceeds from the balance of such Shares.
- No certificates for Shares so purchased will be issued to the Participant until the Participant and the Corporation have each completed all steps required by law to be taken in connection with the issuance and sale of the Shares, including receipt from the Participant of payment or provision for all withholding taxes due as a result of the exercise of the Option. The delivery of certificates representing the Shares to be purchased pursuant to the exercise of an Option will be contingent upon receipt from the Participant by the Corporation of the full purchase price for such Shares, full payment of any applicable withholding tax, and the fulfillment of any other requirements contained in the Option Award Agreement or applicable provisions of laws.
- 5.5 **Compliance with Securities Laws.** As a condition to an Eligible Person's right to purchase Shares pursuant to the due exercise of an Option, the Corporation may, in its discretion, require that such other steps, if any, as counsel for the Corporation shall consider necessary to comply with any law applicable to the issue of such Shares by the Corporation, be taken by the Corporation, the Eligible Person, or both.
- 5.6 **Termination of Option Due to Termination of Employment, Service or Engagement.** Subject to the applicable rules of any stock exchange on which the Shares are listed for trading, unless otherwise determined by the Board, or unless otherwise provided in the Participant's Service Agreement or Option Award Agreement, if a Participant's employment, service or engagement terminates in any of the following circumstances, subject to Section 13, Options shall be treated in the manner set forth below:

Failure of the Board to provide for an adjustment shall be conclusive evidence that the Board has determined that it is equitable to make no adjustment in the circumstances. If an adjustment results in a fractional share, the fraction shall be disregarded.

- 10.2 Subject to prior acceptance of the TSXV, as applicable, if at any time the Corporation grants to its shareholders the right to subscribe for and purchase pro rata additional securities of any other corporation or entity, there shall be no adjustments made to the Shares or other securities subject to an Award in consequence thereof and the Awards shall remain unaffected.

11. **UNITED STATES SECURITIES LAW MATTERS**
- 11.1 No Awards shall be made in the United States and no Common Shares shall be issued upon exercise, conversion or settlement of any such Awards in the United States unless such securities are registered under the U.S. Securities Act and any applicable U.S. state securities laws, or an exemption from such registration is available. Any Awards issued, and any Common Shares issued upon exercise, conversion or settlement thereof, will be “restricted securities” (as such term is defined in Rule 144(a)(3) under the U.S. Securities Act). Any certificate or instrument representing such securities shall bear a legend restricting transfer under applicable United States federal and state securities laws in substantially the following form:
- “THE SECURITIES REPRESENTED HEREBY [AND THE SECURITIES ISSUABLE UPON EXERCISE / CONVERSION / SETTLEMENT HEREOF] HAVE NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE “U.S. SECURITIES ACT”), OR ANY U.S. STATE SECURITIES LAWS. THE HOLDER HEREOF, BY ACQUIRING SUCH SECURITIES, AGREES FOR THE BENEFIT OF THE CORPORATION THAT SUCH SECURITIES MAY BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED, DIRECTLY OR INDIRECTLY, ONLY (A) TO THE CORPORATION, (B) OUTSIDE THE UNITED STATES IN COMPLIANCE WITH THE REQUIREMENTS OF RULE 904 OF REGULATION S UNDER THE U.S. SECURITIES ACT AND IN COMPLIANCE WITH APPLICABLE LOCAL LAWS AND REGULATIONS, (C) PURSUANT TO THE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE U.S. SECURITIES ACT PROVIDED BY RULE 144 UNDER THE U.S. SECURITIES ACT, IF AVAILABLE, AND IN COMPLIANCE WITH ANY APPLICABLE U.S. STATE SECURITIES LAWS, OR (D) PURSUANT TO ANOTHER EXEMPTION FROM REGISTRATION UNDER THE U.S. SECURITIES ACT AND ANY APPLICABLE U.S. STATE SECURITIES LAWS, AFTER, IN THE CASE OF TRANSFERS UNDER CLAUSE (C) OR (D), THE HOLDER HAS FURNISHED TO THE CORPORATION AND ITS TRANSFER AGENT AN OPINION OF COUNSEL OF RECOGNIZED STANDING OR OTHER EVIDENCE REASONABLY SATISFACTORY TO THE CORPORATION AND ITS TRANSFER AGENT TO THE EFFECT THAT SUCH EXEMPTION(S) ARE AVAILABLE. THESE SECURITIES MAY NOT CONSTITUTE “GOOD DELIVERY” IN SETTLEMENT OF TRANSACTIONS ON CANADIAN STOCK EXCHANGES.”
- The Board may require that a participant of this Plan provide certain representations, warranties and certifications to the Corporation to satisfy the requirements of applicable securities laws, including without limitation, the registration requirements of the U.S. Securities Act and applicable state securities laws or exemptions or exclusions therefrom.

- 12.1 **Priority of Agreements.** In the event of any inconsistency or conflict between the provisions of a Participant's Award Agreement and the Plan, the provisions of the Plan shall prevail with respect to such Participant. In the event of any inconsistency or conflict between the provisions of (i) the Plan and/or a Participant's Award Agreement, and (ii) a Participant's Service Agreement, the provisions of the Participant's Service Agreement shall prevail with respect to such Participant unless the terms of the Participant's Service Agreement would (i) cause the Plan to be a “salary deferral arrangement” as defined in the Income Tax Act (Canada) in respect of a Participant that is a Canadian Taxpayer, in which case the terms of the Plan shall prevail. Notwithstanding the foregoing or anything contained herein to the contrary: (i) the applicable rules of any stock exchange on which the Shares are listed for trading shall prevail over the provisions of the Plan, any Participant's Award Agreement, or any Participant's Service Agreement in the event of a conflict; and (ii) no provision of a Participant's Service Agreement shall be relied upon if such reliance would result in a change to the terms of the Plan that would otherwise require shareholder approval.
- 12.2 **Vesting and Termination Provisions in Service Agreements.** In the event that a Participant's Service Agreement contains provisions respecting the vesting of the dates upon which any or all outstanding Awards shall be exercisable or settled, without regard to whether such Awards have otherwise vested in accordance with their terms, or provisions respecting the expiry, forfeiture and termination of such Awards, the vesting or expiry, forfeiture and termination of such Awards, as applicable, shall be governed by the terms and conditions of the Participant's Service Agreement with respect to such Participant.
13. **CHANGE IN CONTROL - TREATMENT OF AWARDS**
- 13.1 **Change in Control - Awards Granted On and After Effective Date.** Subject to Section 13.2 and unless otherwise determined by the Board, or unless otherwise provided in the Participant's Service Agreement or Award Agreement, if a Change in Control shall conclusively be deemed to have occurred and at least one of the two additional circumstances described below occurs, then there shall be immediate full vesting of each outstanding Award granted on and after the

Effective Date, which may be exercised and settled, in whole or in part, even if such Award is not otherwise exercisable or vested by its terms:

- (a) upon a Change in Control, the surviving corporation (or any affiliate thereof) or the potential successor (or any affiliate thereto) fails to continue or assume the obligations with respect to each Award or fails to provide for the conversion or replacement of each Award with an equivalent award that satisfies the criteria set forth in Section 13.1(b)(i)(A) or 13.1(b)(i)(B); or
 - (b) in the event that the Awards were continued, assumed, converted or replaced as contemplated in 13.1(b)(i), during the two-year period following the effective date of a Change in Control, the Participant is terminated by the Corporation without cause or the Participant resigns for good reason, and for purposes of Section 13.1:
 - (i) the obligations with respect to each Participant shall be considered to have been continued or assumed by the surviving corporation (or any affiliate thereto) or the potential successor (or any affiliate thereto), if each of the following conditions are met, which determination shall be made solely in the discretionary judgment of the Board, which determination may be made in advance of the effective date of a particular Change in Control and shall be final and binding:
 - (A) the Shares remain publicly held and widely traded on an established stock exchange; and
 - (B) the terms of the Plan and each Award are not materially altered or impaired without the consent of the Participant;
 - (ii) the obligations with respect to each Award shall be considered to have been converted or replaced with an equivalent award by the surviving corporation (or any affiliate thereto) or the potential successor (or any affiliate thereto), if each of the following conditions are met, which determination shall be made solely in the discretionary judgment of the Board, which determination may be made in advance of the effective date of a particular Change in Control and shall be final and binding:
 - (A) each Award is converted or replaced with a replacement award in a manner that qualifies under Subsection 7(1.4) of the Income Tax Act (Canada) in the case of a Participant that is a Canadian Taxpayer in respect to an Award that is subject to section 7 of the Income Tax Act (Canada), on all or any portion of the benefit arising in connection with the grant, exercise and/or other disposition of such award;
 - (B) the converted or replaced award preserves the existing value of each underlying Award being replaced, contains provisions for scheduled vesting and treatment on termination of employment (including with respect to termination for cause or constructive dismissal) that are no less favourable to the Participant than the underlying Award being replaced, and all other terms of the converted award or replacement award (but other than the security and number of shares represented by the continued award or replacement award) are substantially similar to the underlying Award being converted or replaced; and
 - (C) the security represented by the converted or replaced Award is of a class that is publicly held and widely traded on an established stock exchange.
- 13.2 **Change in Control.** Notwithstanding Section 13.1, in the event of a Change in Control, the Board shall have the right, but not the obligation, and without the consent of any Participant, to permit each Participant, within a specified period of time prior to the completion of the Change in Control as determined by the Board, to exercise all of the Participant's outstanding Options and to settle all of the Participant's outstanding Performance Share Units, Restricted Share Units and Deferred Share Units (to the extent then vested and exercisable, including by reason of acceleration by the Board pursuant to Section 13.3 or in accordance with the Award Agreement) but subject to and conditional upon the completion of the Change in Control and provided further that there can be no acceleration of the vesting requirements applicable to Options granted to an Investor Relations Service Provider without the prior written approval of the TSXV.
- 13.3 **Discretion to Accelerate Awards.** Notwithstanding Section 13.1, in the event of a Change in Control whereby the holder ceases to be an eligible Participant, the Board may accelerate the dates upon which any or all outstanding Awards shall vest and be exercisable or settled, without regard to whether such Awards have otherwise vested in accordance with their terms. Notwithstanding the foregoing, the acceleration of vesting for Options granted to Investor Relations Service Providers, must conform to the prescribed vesting requirements under TSXV Policy 4.4 – *Security Based Compensation*, as amended from time to time.
- 13.4 **Termination of Awards on Change in Control.** Subject to and conditional upon completion of the Change in Control event, the Plan and all outstanding Awards, vested and unvested, shall be deemed to be terminated, without further act or formality, except to the extent required under Sections 13.1 and 17.2, if applicable.
- 13.5 **Further Assurances on Change in Control.** The Participant shall execute such documents and instruments and take such other actions, including exercise or settlement of Awards vesting pursuant to Section 13.2 or the Award Agreement, as may be required consistent with the foregoing; provided, however, that the exercise or settlement of Awards vesting pursuant to Section 13.2 or the Award Agreement shall be subject to the completion of the Change in Control event.

- 13.6 **Awards Need Not be Treated Identically.** In taking any of the actions contemplated by this Section 13, the Board shall not be obligated to treat all Awards held by any Participant, or all Awards in general, identically.
- 13.7 **Canadian Taxpayer.** In the case of a Deferred Share Unit held by a Participant that is a Canadian Taxpayer, and subject to any further limitations provided in any Award Agreement, (i) no settlement payment shall be made to the Participant under this Section 13 until after the time that the Participant ceases to be a Director of the Corporation or any subsidiary of the Corporation or an Employee or Consultant of the Corporation or any subsidiary of the Corporation for any reason, without regard to any agreed or otherwise binding severance or notice period (whether express, implied, contractual, statutory or at common law); and (ii) all settlements to such Participant under this Section 13 shall be made by December 31 of the first calendar year that commences after such time.
14. **AMENDMENT, SUSPENSION OR TERMINATION OF PLAN AND AWARDS**
- 14.1 In addition to any other rights provided in the Plan, but subject to Sections 14.1 or 14.2 and the approval of the TSXV and the shareholders of the Corporation, where applicable, the Board may: (i) amend, suspend or terminate the Plan or any portion thereof at any time and without notice to or approval from any Participant; or (ii) amend or modify any outstanding Award in any manner to the extent that the Board would have had the initial authority to grant the Award as so modified or amended, whereupon the Plan shall be amended or discontinued, as appropriate, in the manner and to the extent required by applicable laws and other rules and regulations.
- 14.2 The Board shall not take any action pursuant to Section 14.1 that would adversely affect or alter the rights of a Participant in relation to a previously granted Award in a material manner, unless: (i) such action is permitted by the Plan or the Award Agreement relating to such Award; or (ii) the prior consent of the affected Participant is obtained, and provided that such action is taken in accordance with applicable law and subject to any required regulatory approval, including approval from any stock exchange upon which the Shares are then listed and shareholder approval.
- 14.3 Subject to Section 14.6, the Board may from time to time, in its discretion and without approval of the shareholders of the Corporation, make changes to the Plan or any Award that do not require the approval of shareholders under Sections 14.4 and 14.5, which may include but are not limited to:
- (a) any amendment of a “housekeeping” nature, including those made to clarify the meaning of an existing provision of the Plan or any agreement, correct or supplement any provision of the Plan that is inconsistent with any other provision of the Plan or any agreement, correct any grammatical or typographical errors or amend the definitions in the Plan regarding administration of the Plan; or

- The Board may determine whether and to what extent Dividend Equivalents will be credited to a Participant's PSU Account, RSU Account and DSU Account with respect to Awards of Performance Share Units, Restricted Share Units

or Deferred Share Units respectively. Dividend Equivalents to be credited to a Participant's PSU Account, RSU Account or DSU Account shall be credited as follows:

No Dividend Equivalent will be credited to or paid on Awards of Performance Share Units, Restricted Share Units or Deferred Share Units that have expired or that have been forfeited or terminated.

16. MISCELLANEOUS

16.1 **No Rights as a Shareholder.** Nothing contained in the Plan nor in any Award granted hereunder shall be deemed to give any Person any interest or title in or to any Shares or any rights as a shareholder of the Corporation or any other legal or equitable right against the Corporation whatsoever with respect to Shares issuable pursuant to an Award until such Person becomes the holder of record of Shares.

16.2 **Employment.** Nothing contained in the Plan shall confer upon any Participant any right with respect to employment or continued employment or the right to continue to serve as a Director or a Consultant as the case may be, or interfere in any way with the right of the Corporation to terminate such employment or service at any time. Participation in the Plan by an Eligible Person is voluntary. The Corporation and the Participant are responsible for ensuring and confirming that the Participant is a bona fide Employee, Consultant or Management Company Employee for the purposes of eligibility under the Plan.

16.3 **Record Keeping.** The Corporation shall maintain appropriate registers in which shall be recorded all pertinent information with respect to the granting, amendment, exercise, vesting, expiry, forfeiture and termination of Awards. Such registers shall include, as appropriate:

16.4 **Income Taxes.** As a condition of and prior to participation in the Plan, an Eligible Person shall authorize the Corporation in written form to withhold from any payment otherwise payable to such Eligible Person any amounts required by any taxing authority to be withheld for taxes of any kind as a consequence of such participation in the Plan, the issuance of any Shares pursuant to the Plan or the settlement in cash and/or Shares of any Awards under the Plan. In addition, as a condition for the exercise of an Option, the Corporation may require a Participant to deliver to the Corporation all or a portion of the taxes required to be withheld or remitted by the Corporation under the Income Tax Act (Canada) and any applicable Canadian provincial taxation statute as a result of the exercise of the Option (including by payment pursuant to a broker-assisted sale and remittance program authorized by the Board). The Board may require, or may allow a Participant to elect, to satisfy such obligations (up to maximum statutory rates) to be satisfied, in whole or in part, (i) by causing the Corporation to withhold the number of Shares otherwise issuable to the Participant as may be necessary to satisfy such withholding obligation, or (ii) by delivering to the Corporation Shares already owned by the Participant. The Shares so delivered or withheld shall have an aggregate fair market value equal to such withholding obligations (up to maximum statutory rates). The fair market value of the Shares used to satisfy such withholding obligation shall be determined by the Corporation as of the date that the amount of tax to be withheld is to be determined.

- 17.1 **Term of Award.** Subject to Section 17.3, in no circumstances shall the term of an Award exceed five years from the Grant Date.

- 17.3 **Blackout Periods.** Notwithstanding any other provision of the Plan, if the expiry date or vesting date of an Award, other than a Performance Share Unit, Restricted Share Unit or Deferred Share Unit awarded to a Canadian Taxpayer, as applicable, is during a Blackout Period, the expiry date or vesting date, as applicable, will be automatically extended for a period of ten trading days following the end of the Blackout Period. In the case of a Performance Share Unit, Restricted Share Unit or Deferred Share Unit awarded to a Canadian Taxpayer, any settlement that is effected during a Blackout Period in order to comply with Section 14.4 in the case of a Canadian Taxpayer (subject to the requirements of applicable law) be settled in cash, notwithstanding any other provision hereof.

- The Plan shall be construed in accordance with and be governed by the laws of British Columbia and shall be deemed to have been made therein.
19. **REGULATORY APPROVAL**
- The Plan shall be subject to the approval of any relevant regulatory authority whose approval is required. Any Awards granted prior to such approval and acceptance shall be conditional upon such approval and acceptance being given and no such Awards may be exercised or shall vest unless such approval and acceptance is given.

- The Plan is dated with effect as of the Effective Date.

SCHEDULE "B"

CHARTER OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS OF LION ROCK RESOURCES INC.

The Audit Committee will be governed by the following charter:

Mandate: The primary function of the audit committee (the "**Committee**") is to assist the Board in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to regulatory authorities and shareholders, the Company's systems of internal controls regarding finance and accounting and the Company's auditing, accounting and financial reporting processes. The Committee's primary duties and responsibilities are to serve as an independent and objective party to monitor the Company's financial reporting and internal control system and review the Company's financial statements, review and appraise the performance of the Company's external auditor; and provide an open avenue of communication among the Company's auditor, financial and senior management and the Board.

Composition: The Committee shall be comprised of a minimum three directors as determined by the Board. If the Company ceases to be a "venture issuer" (as that term is defined in NI 52-110), then all of the members of the Committee shall be free from any material relationship with the Company that, in the opinion of the Board, would interfere with the exercise of their independent judgment as a member of the Committee.

For the purposes of the Company's Audit Committee Charter, the definition of "financially literate" is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements. The members of the Committee shall be elected by the Board at its first meeting following the annual shareholders' meeting. Unless a Chair is elected by the full Board of Directors, the members of the Committee may designate a Chair by a majority vote of the full Committee membership.

- (i) review with management and the external auditor the audit plan for the year-end financial statements and review and pre-approve all audit and audit-related services and the fees and other compensation related thereto, and any non-audit services, provided by the Company's external auditor. The pre-approval requirement is waived with respect to the provision of non-audit services if:
 - (i) the aggregate amount of all such non-audit services provided to the Company constitutes not more than five percent of the total amount of revenues paid by the Company to its external auditor during the fiscal year in which the non-audit services are provided,
